

16<sup>th</sup> March 2021

Dear Customer

**PRICE INCREASE**

Further to our email communication of the 5<sup>th</sup> March detailing current market conditions, outlining availability, and detailing the increases in Resin, Cardboard, Lamination Films, Paper pricing and some transport rates. The situation is continuing to be extremely concerning and we must now inform you of further increases in cost of PE Resin, some paper and cardboard products and their reduced availability. The increases we are now experiencing are of a magnitude that Abris Jiffy is not able to absorb them and with regret we are forced to recover these cost increases through further price adjustments.

For all deliveries from April 1<sup>st</sup> 2021 onwards our prices will increase as follows:

|                               |            |
|-------------------------------|------------|
| <b>Foam Products</b>          | <b>8%</b>  |
| <b>Bubble products</b>        | <b>10%</b> |
| <b>Mail Miser</b>             | <b>5%</b>  |
| <b>AirKraft</b>               | <b>5%</b>  |
| <b>Superlite</b>              | <b>5%</b>  |
| <b>Fruit Pads/Padded bags</b> | <b>5%</b>  |

Your dedicated National Account Manager is available to discuss any specific issues relating to this matter, and as always, please feel free to contact me if I can be of any assistance.

May I take this opportunity of thanking you for your ongoing support during these unprecedented times.

Yours sincerely,

Vince Tarry
